Welcome Home and Thank You

“There can’t possibly be words adequate enough to express our gratitude, our respect, and our appreciation to our men and women in uniform. In spite of all the things that have sought to divide us in this country, and that still divide us today, we are brought together by the tremendous respect we hold and the incredible debt that we owe to all those who have worn the flag of our nation on their arm and who are willing to lay down their lives to protect the rights and freedoms that we hold so dear.”

State of Maryland**
